Overview of Important Ethics Documents

Below are the Titles, Responsible Organisations and Years of Publishing of some important ethics guidance documents. We should consider which ones we consider useful/essential/helpful for discussion in a one-day workshop for the Ethics Committee in January 2001.

Declaration of Helsinki, (WMA, Edinburgh 2000 revision)

Ethical considerations in HIV preventive vaccine research (UNAIDS, 2000)

International Ethical Guidelines for Biomedical Research Involving Human Subjects
(CIOMS, 1993)

International Guidelines for Ethical Review of Epidemiological Studies (CIOMS, 1991)

Operational Guidelines for ECs That Review Biomedical Research (WHO, 2000)

Guideline for Good Clinical Practice (International Conference on Harmonization
(ICH), 1996)

MRC Guidelines for Good Clinical practice in Clinical Trials (MRC; 1998)

The Ethical Conduct of Research on Children (MRC, 1991)

The Ethical Conduct of Research on The Mentally Incapacitated (MRC, 1991)

Responsibility in the Use of Animals in Medical research (MRC, 1993)

The Ethical Conduct of AIDS Vaccine Trials (MRC, year?)

Principles in the Assessment and Conduct of Medical Research and Publicising
Results (MRC, year?)

Interim Guidelines for Research Involving Human Participants in Developing Societies,
Ethical Guidelines for MRC Sponsored Studies (MRC, 1999)

Personal Information in medical Research (MRC, 2000)

Constitution Gambia Government / MRC Joint Ethics Committee (2000)

Guidelines for researchers (GG/MRC EC, 2000)

Confidentiality: Protecting and Providing Information (GMC,2000)

Serious Communicable Diseases (GMC, 1997)

Seeking patients' consent: the ethical considerations (GMC, 1998)

The Ethics of Clinical Research in Developing Countries – a discussion paper
(Nuffield Council of Bioethics, 2000)
